Miss China DUNING attended GOLDERS GREEN SNT BASE at 1830hrs and spoke to PC 726SX BEWERS with regard to concerns for her friend, Anthony WALGATE, who she had not heard from for two days, which was very unusual.

She stated none of his friends had heard from him either since Tuesday 17th June 2014. He texts/messages his friends very regularly.

Miss DUNNING informed of Mr WALGATE's death and provided the following details:

She has known him for around 4 years when they went to Barnet College together and now attend MIDDLESEX UNIVERSITY.

She confirmed WALGATE was gay and worked as a prostitute for male clients. He used Grinder to meet men and also an unknown website to advertise his prostitution services.

Miss DUNNING believes WALGATE had been doing this for around 3 years. She confirmed that he had never come to any harm, that she knew of, as part of this job.

The last time Miss DUNNING saw WALGATE was on Sunday 15th June 2014. On Sunday night, WALGATE received a message from a Joe DEAN who enquired as to whether WALGATE could do an overnight stay and how much this would cost. WALGATE told him £800 and DEAN immediately agreed. WALGATE requested his name, date of birth and address for safety. This was given as

Joe DEAN  
Dob 02/02/1986  
72 St ANNES ROAD, IG11 7AF

For safety reasons, WALGATE forwarded this message to Miss DUNNING. Joe DEAN told

19/06/2014 21:24

PC 235274 726SX OB BEWERS

WALGATE (all via messages) that it was not his address and he was house sitting for friends in South Africa.

Joe DEAN also sent a photo which was of a white male, 28-30 years with possible acne scars. He was of a skinny muscular build and he had spikey blonde hair. It was a selfie-style photo with his top off.

Miss DUNNING stated WALGATE was nervous about the meeting with Joe DEAN as he had immediately agreed to the fee which is very unusual.

Over Monday and Tuesday, WALGATE was messaging his friends.

At around 2200hrs on Tuesday 17th June 2014, Miss DUNNING said Eleanor GREEN messaged WALGATE and said he couldn't talk as he was about to go to a job - believed to be meeting Joe DEAN.

No one had any further contact with WALGATE which raised concerns as he usually leaves his clients at around 0800hrs the next morning and tells his friends he is okay.

After providing the above details, Miss DUNNING went with officers to WALGATE's home address as she only knew it by sight.

Anthony WALGATE's address confirmed as:

**DPA**

It is a multi-occupancy address and WALGATE's room is on the top floor and the last on the right. It was locked and the door was slightly warped.

Kiera BRENNAN attended GOLDERS GREEN SNT BASE to support Miss DUNNING. She is also a friend of WALGATE's and confirmed the above details. She last messaged WALGATE at around 1800hrs on Tuesday 17th June 2014.

Both Miss BRENNAN and Miss DUNNING believe WALGATE's mother to be Sarah SAK, married to a Turkish man, Sammy SAK. They believe she is currently in Turkey on holiday and recently moved

TDRT have stated that they will make contact with PC RAO at about midday. I have informed her that along with DS O'DONNELL will be at the PM. She will make our office aware of the results.

I have today attended the home address of Mr WALGTE. The premises are behind the parade of shops on the main road. The address is split over three levels and split into individual rooms. In the company of police was Mr Walgate's friend China DUNNING.

Upon entering the premises the door the Mr Walgate's room appears to be slightly open but is in fact shut and locked. Attempts were made to contact the landlord of the property STEVE on [DPA] but there was no answer. A message was left asking him to make contact with police but at this stage there has not been any. The estate agent used to let the property is in the same road and is called ENDEAVOUR ESTATES. A letter was posted through the letter box asking them to make contact with police as soon as possible.

The decision was made not to force entry to the property as the landlord will be able to meet police at the address and open the door.

Police dropped DUNNING at her home address. Whilst on the way back to her address she stated to police that she had known WALGATE for a number of years. She stated that she was aware that he

was a male prostitute and that he would meet people using "GRINDER" but also had a male prostitute website which he would use to meet potential clients. She did not know what this website was as WALGATE kept this a secret as he did not want them to see the pictures of him.

She also made reference to the fact that he would take a pair of fabric scissors and a small knife with him when he met his clients for protection. It is unclear at this stage what is present inside Walgate's bag.

I shall update this report further.

the deceased may have been inside the address. The post code given by the client matches that of Mr PORT. The deceased's mobile phone remains outstanding and has not been recovered by police. This phone was in possession of the deceased when he travelled to Barking on 17.06.2014 (evidenced by a friend - VIW5 - Miss Eleanor GREEN). The initial finding at the PM is that the victim had a 'heavy brain' indicating a possible drug overdose. There may be evidence of such substances at the address.

On WEDNESDAY 25th JUNE T/DC BELLAMY and T/DC PARISH attended the home address of viw1: [REDACTED] Mr BOMACIC from Endeavour Estate Agents signed the book 101 giving consent for officers to enter the premises.

A cursory search of viw1s room was conducted to obtain a laptop, any other items relating to Social Media, medication and anything relating to his GP, and any vials of substances. Miss DUNNING was requested to attend the location in order to look at viw1s room and see if everything appeared normal. Miss DUNNING confirmed that his room looked as it normally does and nothing appeared out of place. Viw1 made reference to money under the mattress. £100 - in 5 £20 denominations were found under the mattress - bottom left. DS O'DONNELL was consulted and advised to leave the money in situ.

Miss DUNNING also stated that occasionally viw1 would bring 'clients' back to his room but that she did not know how often - to her

knowledge he did not see 'clients' very often, just occasionally. She also stated that viw1 often kept knives tucked around the edge of his bed for safety in case he brought clients home. From the cursory search these were not evident. A more thorough search was not completed so as not to disrupt the scene any further.

Miss DUNNING was shown images of Stephen PORT, sent to T/DC J PARISH'S mobile phone by DS O'DONNELL. The first photograph was a front profile and Miss DUNNING stated that she was 97% sure that this was the male in the picture that viw1 had shown to her. She then stated that the photograph that viw1 had was side facing but a selfie, and that he was not wearing a top. She was then shown 2 side profiles of PORT and stated that she believed this to be the same male.

Miss DUNNING then left. She is willing to assist police further and will make herself available at any time needed.

The following items were seized by T/DC BELLAMY during the search 1530-1630 hours:

RLB/1 (one) laptop with charger sealed in MPSD43841335, 105/1494 refers  
RLB/2 (one) Fujifilm camera with USB lead sealed in MPSD43841336, 105/1495 refers

RLB/5 One (1) prescription in name of Anthony WALGATE sealed in MPSA1867662, 105/1498 refers

The room was secured and the keys were given back to Mr BOMACIC at ENDEAVOUR ESTATE AGENTS. Mr BOMACIC was informed that the room should be left untouched and in due course they will be contacted.
