UPDATE

I contacted viw 5 - CAD 8860/19Jun14 - her details were already on the CRIS from China but have been updated re address contact details.

Ellie stated she was very good friends with Anthony she was aware he was meeting someone from the website where he advertised, he rarely meet people overnight. She happened to ring Anthony at 2210 hrs on 17/06/14 who informed her he was working and could not talk they agreed to talk in the morning but she had been unable to contact him since. She has confirmed a lot of what China has stated.

Ellie would like her details passed onto the family as the family do not know a lot of her friends from London / Uni etc.

*****UPDATE OYSTER CARD ENQS*****

I have been into the STT office to make enquiries regarding the OYSTER CARD. I have been told that the OYSTER CARD number was two digits short. Lisa RAO has stated that due to this fact it will take longer to obtain any data as they will have to run variations of the number. TDRT have stated that they will make contact with PC RAO at about midday. I have informed her that along with DS O'DONNELL will be at the PM. She will make our office aware of the results.
