#### Exhibits

-----  
DC Parish has catalogued and stored the samples retrieved from the PM in preparation for submission for analysis. The deceased's bag has been retrieved from the property store and its contents will also be catalogued and stored appropriately.

#### Investigation Strategy

-----  
Considering the HAT advice to-date I have determined the following enquiries are required to progress this matter sufficiently for a Coroner's Inquest. Should any information come to light that would suggest criminal activity contributing to his death, this will be reviewed with the HAT.

#### Mobile phone records:

#### Movements on public transport:

We have commenced oyster card/cctv enquiries with TfL.

#### Social media activity in the week leading up to his death:

We are going to search his room in Golders Green and recover his lap-top computer and any other relevant items. This will be sent for analysis. Open Source enquiries should also be made.

#### Financial enquiries:

We will look at his account usage leading up to his death.

#### Further local enquiries:

We have details of a
