29/06/14 1550hrs	China contacted me on my mobile, she stated she had been in contact with Thomas and he had given her an update last night on an arrest. She has assumed it was the mole that she picked out on the photo on knew it was for perverting the course of justice and that he had been bailed. I confirmed that this was the case. I advised her we were still awaiting results from Toxicology, she asked how long this would take. I said at present I could not answer that but would be making attempts to see how this was progressing with Coroner this week. She confirmed to me that Keri was now on holiday and she is not sure whether she will have her phone on. We agreed that China would be the point of contact from the friends for the time being. I took all her details and stated I would email her my details. I explained that she can contact me and if I don't
