 Address DPA LONDON DPA

This was due to a report from staff that a PORT was going through another
 MALE'S bag and had assaulted him

On arrival X3 was extremely ill being sick and was very disorientated
 PORT stated they were acquaintances who had meet on the internet and been
 for a drive a few times
 PORT stated he had found MALE 2 under the influence outside his house
 PORT was also very disorientated and appeared under the influence
 PORT later stated he had taken METH. PORT stated that X3 has
 possible taken METH or G

G is commonly known as GHB Gamma Hydroxybutyrate

PORT stated he had brought X3 back to the station in order to get
 him home safely and was going through his bag in order to find his phone

PORT was later called an ambulance and stated he had been around PORT'S
 house all day where he had then fell asleep. X3 also admitted
 meeting PORT on the internet but stated he had not taken any substances this
 evening

X3 was dealt with by the ambulance service and PORT was allowed
 to go on his way

No complaints being made
