Subject: RE: Intel enquiry [RESTRICTED - INTEL]

PND Research:

Anthony Walgate is known to Humberside on PND:

Anthony Shepard WALGATE dob 08/05/1991 IC1 male born HULL CRO162181/10Y

He is known in connection with [DPA] Hull [DPA] (home address)

Sensitive/Irrelevant

On 02/07/2010 police entered the address under S.17 (front door was open) to find Anthony sitting in an empty bath cutting his arms with disposable razor blades. He was compliant with officers and paramedics.

Sensitive/Irrelevant

Shown associated with Rachel MARSHALL dob [DPA] and Lauren BRADY dob [DPA] although not clear exactly how, possible stopped together in 2007

Also shown associated with Adrian Harry BODDY dob [DPA] via the [DPA] address

Sensitive/Irrelevant

Nothing very recent on Walgate on PND. There may be further information from PND depending on what else emerges in the enquiry - let me know if you need anything else. There is a custody imaging photo of Walgate on PND, but I cannot get this off the system - that may have to be requested from Humberside direct.

Regards,
Rolf
