Please can we reassure as best possible after the PM -the details going round yesterday were of someone who had had their head cut off.

Tony can you ensure the post PM reassurance message, happens this afternoon?

Thanks,
AE

Sirs/Team,

Please find the update for this morning's unexplained death.

In summary the circumstances of death are now less suspicious, albeit still unexplained. The visible marks/apparent injuries on the body are accounted for.

Special P.M is arranged for noon tomorrow. KG and SC&O1 officers arranged to attend.

Police officers in Humberside are informing NOK.

The scene is close, HVP continues on the Estate, partners/KINS have been briefed and updated. There are no raised community concerns.

We will assess the need for a Gold Group following the outcome of the P.M.

Please let me know if I can be of further assistance

Regards

Mike
