Dear Dave

Please can you send a copy of the papers in this case via Lisa Wheatley so she can register and pass the case to me.

Crucially it seems we will need the full PM report and forensic evidence.

Has this case been referred to the Mets MIT teams.

Dear DC Parish,

I made enquiries yesterday, after speaking to you, as to whether the advice was appropriate to be dealt with on a local borough team. I was informed that it should be dealt with homicide/complex casework unit on the 4th floor at Drummond Gate. This is because it involves a dead body and the sensitive nature surrounding the case. The consequence is that the suspect will have to be re-bailed.

Please liaise with my colleagues for an appointment, who I have cc'd.

Regards,

Andy Vangeli
Senior Crown Prosecutor
