Sarah

This is a priority for me and I can only apologise for the time it's taking. I had to wait for authority from the Coroner in Hull to release property. Now I have sent my request off to the relevant department to ask for the property to be returned to yourself in Hull. This is not something they don't normally do due to the distance but I am trying my hardest to get this authorised and organised ASAP.

I will be in touch as soon as I have the answer

Kind Regards

Hi Sarah

Yes I have also been advised. The Coroner has agreed that the Anthony's property can be released to you. I am making attempts to try and find a way of getting the property back to you

I will advise you once I have some answers.

Kind regards
