DC THOMAS	That's a lie isn't it Stephen? You are lying to us again. You have been lying repeatedly throughout this interview because the searches that were conducted were on 'Bing' the website. 'Boy fucks drugged girl', 'twink sleeping drugs girl', 'twink drugs girl and fucks her', 'girl drugged by teen boy', 'boy drug raped', 'teen drugged to sleep and raped'. 'Fraternity drugged porn'.
PORT	I was just comparing fraternity ex videos which Scott does and puts online sometimes he puts those online, any of his videos on there.
DC THOMAS	Who puts fraternity ex videos on there?
PORT	Sometimes Scott puts them on line
DC THOMAS	Scott does. What about boy drugged raped?
PORT	This will come up when you do a search, it comes up.
DC THOMAS	No it didn't, this is you typing that into the Bing search toolbar, isn't it?
PORT	Yeah
DC THOMAS	Is that right?
PORT	Yeah
DC THOMAS	Why are you searching for 'boy drugged rape' and that search I can tell you, or those some of those searches occurred during the evening of the 12th shortly before midnight, and then some of them occurred in the early hours of the morning later on in the morning after 4 o'clock and onwards later on that day on the 13th on Sunday the 13th, the time when Jack TAYLOR was either dead or dying. Your searching for 'boy drugged raped' etc. Why is that?
PORT	Dunno, Just looking for general porn.
DC THOMAS	That's not general porn Stephen is it. You are specifically searching for videos of porn to do with people who are either asleep, or have been drugged, and are being raped, you have typed in the word rape. Haven't you?
PORT	Er, Yeah it's just searching for random videos, nothing specific.
DC THOMAS	Nothing specific, is that right?
PORT	Yes
DC THOMAS	It sounds quite specific. You were searching for these videos before Jack came over to the Barking area and then when he was in the Barking area you
