8/04/15 1530hrs	<p>Martin has had a Conference call with the Coroner dealing with Anthony's Case. They have discussed about transferring the Inquest to Hull and the Coroner has indicated that the family will need to make a written request to the Coroner with Reasons. This will then be reviewed and if agreed the Coroner in Hull will have to look at the whole Case from Scratch. The Issues may be the WITNESS'S being called and getting them to Hull. The Coroner has stated she will call PACT as a witness and is likely to wait until he is out of Prison to set the date for the Inquest. It was also discussed that Anthony's life style will be spoken about in the Inquest so we may need to liaise with family further prior to Inquest. (Continued overleaf)</p>

<u>8/04/15</u>	<p>Martin on I met with DCI Kirk to discuss the situation and get help with direction. Mr Kirk was appraised of the conversation between Martin and the Coroner. He has stated that we need to inform the family of how to transfer the request and that they need to send a letter to Coroner stating their reasons. Mr Kirk has advised Martin that WALGATE laptop should be downloaded to identify what websites Anthony was using and confirm what PORT states on <del>the</del> how they met and the circumstances around this. He has stated we need to advise family that we are going to download laptop to get <del>at</del> a better indication on WALGATE's life and to confirm PORT met him through a website possibly a dating website.
