**1. BACKGROUND;**

Police are investigating the unexplained death of Mr Anthony Patrick WALGATE.

On Thursday 19.06.2014 police were called to outside 59, COOK STREET, BARKING, ESSEX, IG11 7AF by a member of the public. Mr Stephen PORT of 62, COOK STREET, BARKING, ESSEX, IG11 7AF. He stated that he came home from work in the early hours of the morning, saw a male slumped against the entrance to his block of flats. To gain entry he moved him, subsequently called the London Ambulance Service and then went to be.

At the location was a deceased male - Mr Anthony Patrick WALGATE Date of Birth; 08.05.1991 of: DPA He was found propped up against a bin cupboard in an open pedestrian area. Life was pronounced extinct at 07:51 a.m. Mr WALGATE had no visible injuries.

On Friday 20.06.2014 a Special Post Mortem was conducted at Queens Hospital Romford by Dr BIEDRZYCKI. The result of this was inconclusive and the results to toxicology are outstanding. The pathologist noted that the deceased had a 'heavy brain & heavy lungs' indicting drug use. At this time the death remains unexplained.

A friend of the deceased, Miss China DUNNING has provided lifestyle information and has stated that he worked as a male prostitute. She stated that he had arranged to meet a client on 17.06.2014. The client provided the deceased with his details as follows; Joe DEAN DOB 02.02.1986 of 72, ST. ANNES ROAD, IG11 7AF. Miss DUNNING stated that the client agreed a price of £800.00 for the services of the deceased. The deceased was concerned about this as the client agreed to the price. (This is unusual as the deceased would have expected some discussion over the price).

Miss DUNNING provided a distinctive description of the client that was shown to her by the deceased on his mobile phone on 17.06.2014. Police compared this description to a photograph of Mr Stephen PORT (the original informant) held on police indices and noticed similarities. As a result, the image was shown to Miss DUNNING on 25.06.2014 and has stated that she is 97% certain that this is the same male as the photo shown to her by the deceased.

Further MIT advice review was requested on 26.06.2014 via Det. Supt. SWEENEY. In light of this DI Andrew KELLY reviewed enquiry and provided officers from MIT7 to support the enquiry. Subsequently Mr PORT was further interviewed by MIT7 officers - DC HOLT & DC LEVOIR.

The suspect again provided a full account and clarified details of his first account. He denied the allegation of theft of the phone and believed that it may be with the deceased's clothing.

Mr PORT has been interviewed in custody on two occasions. He has now been Bailed to Return to 05.08.2014 at 12:30 in order for further enquiries to be conducted in to this matter.

(Consideration was given to approaching the CPS in relation to the allegation of 'Perverting the Course of Justice' whilst in custody, however this was decided against due to the outstanding enquiries i.e. awaiting result of cause of death etc. DI KELLY appraised and agreed with this course of action).
