

Further MIT advice review was requested on 26.06.2014 via Det. Supt. SWEENEY. In light of this DI Andrew KELLY reviewed enquiry and provided officers from MIT7 to support the enquiry. Subsequently Mr PORT was further interviewed by MIT7 officers - DC HOLT & DC LEVOIR.

Interview Summary Mr Stephen PORT - C/N 01KW/5015/14 - Interviewed by DC HOLT & DC LEVOIR on 27.06.2014;

At this time only a handwritten account is available of notes. The interviewing officers will provide a full update over the weekend. The suspect again provided a full account and clarified details of his first account. He denied the allegation of theft of the phone and believed that it may be with the deceased's clothing.

Mr PORT has been interviewed in custody on two occasions. He has now been Bailed to Return to 05.08.2014 at 12:30 in order for further enquiries to be conducted in to this matter.

(Consideration was given to approaching the CPS in relation to the allegation of 'Perverting the Course of Justice' whilst in custody, however this was decided against due to the outstanding enquiries i.e. awaiting result of cause of death etc. DI KELLY appraised and agreed with this course of action).

10. PHONES;

CIU have been tasked to conduct enquiries in relation to the victim's mobile number. At this time the handset remains outstanding.

I have confirmed with Analyst Kevin BUTLER that the last signal received from the victim's phone was on 18.06.2014 in the early hours of the morning. There has been no further outgoing activity from the phone.

11. PHYSICAL EVIDENCE;

Exhibits have been seized both from the scene and the Post Mortem. A Forensic Strategy Meeting will be held with the BFM / CSM regarding submission of exhibits for examination. (CSM has provided advice at the PM).

MIT advice has been received. The scene has been examined along with the premises of Mr PORT. A number of exhibits have been seized and a Forensic Strategy Meeting will be held w/c 30.06.2014. In brief, examination of samples for toxicology will be required along with property found on the victim. In relation to Mr PORT, his mobile phone & computer will require examination.

11. INTELLIGENCE;

At this time Intel products have been requested on the following persons;

- i) VIW1 - Mr Anthony Patrick WALGATE
- ii) Mr Stephen PORT. Of note is that there is a previous allegation of crime against Mr PORT - subsequently NFA - that he had un-consensual anal sex with a male after making him take 'poppers'.
