

2014

3 Boys found in Barking
2 near Jack but in church

key things to ask police

Qnb with Boys — Same

Did they have needle marks?

No Phone

All around same area

who was they meeting?

Why was they there?

CCTV

Did they meet someone at
Station or green area?

Why unexplained?

to an they will get someone to call ~~you~~ us back

P/O John Taylor called and gave his apologies.

he explained few things by phone.
AN asked to come to MUM + DADS

24th September

John + Dean came 4 o'clock approx
on push bikes from Broung.

* Explained they were first officers to the
Scene.

* Explained they had no idea we had not
been contacted - it had been passed to C-I-I
and passed straight back as it was not
suspicious - an await coroner report and
toxicology.

* Syringe in his pocket (not on the floor)
Hadt been used / Powder in his wallet when
explained where his wallet was it was in
the wrong back pocket as Jack was Right handed
the wallet was Bk left.

? Clear bottle - front pocket.

- Mum + Dad had a call from coroner to say front nothing
waiting on toxicology - no foul play no - front nothing else
were fore at that point unexplained.

John said Jack had a needle stuck to his
arm that they after fully examining Jack
they had not found the coroner had
turnkey which they once again did not find
