Today Myself and DC Baxter attended Lambeth with Exhibits for Toxicology to be conducted these were accepted by the lab. They have advised us to call them next week to get an estimated date for results.

We then attended John Papes address who is Kovari's flat mate to attempt to search address and get a statement. He was not present at the address and his phone was switched off. We have left a note asking him to call us.

We then attended ISS food and hospitality where Daniel WHITWORTH worked. We spoke to HR a lady called Siobhan. She is going to email me and DC Baxter Daniels shift pattern and attendance, also sickness and

CCTV for the Church/Cemetery

CCTV download request has been sent to Newland Lab - LAB REF: V-2679-14.

Enquiry with Newland Lab shows that the hard drive has been collected from the church, awaiting footage download.

I have asked the Newland Lab about obtaining footage for the 28th August 2014 regarding Gabriel Kovari. At this time, the lab cannot confirm if the footage for the 28th August 2014 will still be on the system. The lab has been tasked to look for this date.

LBBB CCTV

Enquiries have been made with LBBB CCTV control room for CCTV footage for the incident on the 28th August 2014.

Due to the case of the first body found (Gabriel Kovari) deemed as non suspicious. No CCTV footages were saved for the surrounding area.

CCTV footages for the 28th August 2014, was lost by the time of the second incident.

UPDATE

I have spoken to Mr John PAPE this morning to obtain a statement. As explained that I wished to take a telephone conversation. Mr Pape then stated that he had already made a telephone statement to PC Faulkner and sent me a copy.

Resume of John PAPE'S statement

He meet Gabriel KOVARI on 14th July 2014 via a dating web site app known as Bender. They meet and remained friends. He mentioned that he was looking for accommodation to rent. John states that he was thinking of renting out his spare room. They meet at the hostel Gabriel was staying at "The Great Eastern Hostel" which was on the Isle of Dogs. Gabriel had just got a job in a Slovankian Shop in Richmond. Gabriel told John that if he could not find anywhere to stay he would sleep in peoples gardens. John was aware that Gabriel was a young gay male wanting to make a life for himself in

Actions & Results

Action

Action No: 5 Of: 8
Entered Date / Time: 25/09/2014 11:07
Entered By: DS /215704 RM SCHAMBERGER
Priority: Medium
Reference:
Sensitive/Edit Data:
To: TDC/218393 P BERRY
Action Text: Phone work to be requested on Kovari?s and Whitworth?s phones (Subscriber checks, incoming and outgoing call data, IMEI and last cell site)
Time frame: 1st August to date - rationale for this time frame is to build a picture of communication between Whitworth and Kovari as well as establish any common contacts, which may lead to identification of witnesses.
