Miss China DUNING attended GOLDERS GREEN SNT BASE at 1830hrs and spoke to PC 726SX BEWERS with regard to concerns for her friend, Anthony WALGATE, who she had not heard from for two days, which was very unusual.

She stated none of his friends had heard from him either since Tuesday 17th June 2014. He texts/messages his friends very regularly.

Miss DUNNING informed of Mr WALGATE's death and provided the following details:

She has known him for around 4 years when they went to Barnet College together and now attend MIDDLESEX UNIVERSITY.

She confirmed WALGATE was gay and worked as a prostitute for male clients. He used Grindr to meet men and also an unknown website to advertise his prostitution services.

Miss DUNNING believes WALGATE had been doing this for around 3 years. She confirmed that he had never come to any harm, that she knew of, as part of this job.

The last time Miss DUNNING saw WALGATE was on Sunday 15th June 2014. On Sunday night, WALGATE received a message from a Joe DEAN who enquired as to whether WALGATE could do an overnight stay and how much this would cost. WALGATE told him £800 and DEAN immediately agreed. WALGATE requested his name, date of birth and address for safety. This was given as

Joe DEAN
Dob 02/02/1986
72 St ANNES ROAD, IG11 7AF

For safety reasons, WALGATE forwarded this message to Miss DUNNING. Joe DEAN told

WALGATE (all via messages) that it was not his address and he was house sitting for friends in South Africa.

Joe DEAN also sent a photo which was of a white male, 28-30 years with possible acne scars. He was of a skinny muscular build and he had spikey blonde hair. It was a selfie-style photo with his top off.

Miss DUNNING stated WALGATE was nervous about the meeting with Joe DEAN as he had immediately agreed to the fee which is very unusual.

Over Monday and Tuesday, WALGATE was messaging his friends.

At around 2200hrs on Tuesday 17th June 2014, Miss DUNNING said Eleanor GREEN messaged WALGATE and said he couldn't talk as he was about to go to a job - believed to be meeting Joe DEAN.

No one had any further contact with WALGATE which raised concerns as he usually leaves his clients at around 0800hrs the next morning and tells his friends he is okay.

After providing the above details, Miss DUNNING went with officers to WALGATE's home address as she only knew it by sight.

Anthony WALGATE's address confirmed as:

DPA

It is a multi-occupancy address and WALGATE's room is on the top floor and the last on the right. It was locked and the door was slightly warped.

Kiera BRENNAN attended GOLDERS GREEN SNT BASE to support Miss DUNNING. She is also a friend of WALGATE's and confirmed the above details. She last messaged WALGATE at around 1800hrs on Tuesday 17th June 2014.

Both Miss BRENNAN and Miss DUNNING believe WALGATE's mother to be Sarah SAK, married to a Turkish man, Sammy SAK. They believe she is currently in Turkey on holiday and recently moved
