Nothing very recent on Walgate on PND. There may be further information from PND depending on what else emerges in the enquiry - let me know if you need anything else. There is a  photo of Walgate on PND, but I cannot get this off the system - that may have to be requested from Humberside direct.

Regards,  
Rolf

RESTRICTED - INTEL

Thank you for the below request. Unfortunately it is Force policy to not respond to intelligence requests as we currently upload data for the POLE entities to PND on a daily basis. If you contact your MIB or PNC bureau they may be able to assist.
