Hi,

I refer to my previous e mail, could you please advise on the Flo for the family of Gabriel Kovari. Alternatively, if I have directed my enquiry to the wrong person could you please advise.

Good Morning

Re: Gabriel KOVARI (Deceased)

It is my understanding that you are the SIO dealing with the circumstances relating to the death of the above named.

I have now received the full post mortem report and toxicology findings and wonder whether an FLO has been appointed to the family so this information can be passed to them in the appropriate way. If so could I be provided with the contact details.

In addition I would be most grateful if you could provide the Coroner with an interim overview of the investigation so far and outstanding lines of enquiry.

A preferred e mail for response would be Teresa.steadman@walthamforest.gov.uk to which I have daily access.

Many thanks.

Teresa Steadman
Coroner's Officer
