Let me know if you need anything else. Have you been summonsed for the inquest too?

The note was in property, but I now have it with the file.

Hi Sir

I am happy to wait if you could scan it. Its just really the report and the important statements etc that I need just so I am prepared with the family. Also can you confirm the original Suicide note is still with the file

Thanks

Hi Paul,

I've got the whole case file at Roycraft House. I am at ESB today, so if you need it urgently, it is under my desk in a trolley case. If it can wait until tomorrow, I will scan and send you what I can from the file.

Regards,
RS
