Pete,

We have received a number of enquiries to carry out for the coroner on the above.

We have most in hand but I'm wondering if you would be able to get someone to carry out the phone work please. I had asked KG5n to help, they passed it onto Jim Mitchell who has added a line to the CRIS saying its our job to do.

We are now off for the next four days and need to get everything to the coroners officer for the 3rd November

We now have his missing phone details, these have been recorded in the CRIS.

07983 162 434

If you can help it would be appreciated

PS 12KG Matt Laffan
