Subject: Case of WHITWORTH

Just to confirm actions :-

Jackie - FLO for KOVARI

Paul S - FLO for WHITWORTH

Voluntary search of WHITWORTH home address of [redacted] Gravesend [redacted] to be arranged asap by Paul Slaymaker. Any computer equipment, phones or any drug related substances to be seized, diaries, papers that may relate to any meetings with other males

Paul Berry to act as Exhibits officer and to attend the Special PM arranged for 1100 hrs at Queens Hospital on Tuesday 23rd September 2014. A/DI Schamberger will also be attending so Paul you need to liaise with him re attending.

Yinka is to locate paperwork / photos in respect of KOVARI's death and obtain a further statement from Barbara Denhan the informant for both KOVARI and WHITWORTH being found in Barking Park.

Yinka to liaise with Jane Day the coroners officer re obtaining a copy of the pathologists report for KOVARI and any paperwork they have in relation to that. Also a copy of the toxicology report when it has been completed

Paul Slaymaker has already conducted some phone work on WHITWORTH's phone. Please continue with this for incoming/out coming calls going back to at least 28th Aug for any possible connections with KOVARI and cell site aswell. Please also establish if this can be done for KOVARI phone if details known.

Paul Slaymaker can you confirm if you have documented the CCTV enqs as if not if you can make a record and put in the binder re WHITWORTH.

I think that's all any issues then please come and see me.

Thanks

Debbie
