Sir,

I've got no corrections to add. I've not sent it on to Kelly in case you have anything to change.

The post mortem was not really conclusive, a few minor issues. I'll do a review of the job tomorrow. I had a chat with Debbie today around immediate actions and getting the CRIS created.

I didn't enjoy the post mortem much..... I hope the MASE went better!

Hi Sirs

Please check for accuracy - make any corrections - please send back to Kelly Rosevear asap so I can forward to Mr Watson and Mr Ewing.

Kind regards
Kelly
