FYI re the press conference DCI Kirk is conducting later today. Hence it appears names may be given out if is 'matter of public knowledge'. News to me I have to say. With the names going out you may need to prepare the families as the sexuality may come out that we have no control over although we wont mention it.

Jenny you had better warn your family as although we don't think yours is linked to the gay community people may perceive it that way if it is mentioned in the press with the others.

It is a matter of public knowledge, the coroners office will give it out. I will not mention anything about sexuality

Gov

Paul the FLO officer for the WALGATE and WHITWORTH jobs is concerned about names going out in the press as the families have already indicated they do not want detials going out in press also it is sensitive to the family re the gay connections in these matters well at least WALGATE, WHITWORTH and KOVARI are concerned. So if you can keep me updated so the family are prepared for what goes out that would be much appreciated.
