RE: URGENT:
Deaths

Rolf

Freddy never got back to me, I am unavailable tomorrow. Can you try him again tomorrow. I do not want GHB mentioned and the only link between 2 of them is still being investigated. The only thing we know and can confirm is that they knew each other. The recent death of Moshud AHMED is clearly not linked and again not suspicious. It appears Walgate is not going to be asked about but Debbie has supplied brief details of him in the above email. Do not give any addresses out, just areas/boroughs

Thanks
Tony

As per our conversation please find attached the two logs in relation to the two most recent incidents. I do not believe we logged the initial incident in St Margaret's.
