Jaqui,

That is a very general question and you will need to narrow down your request. What exactly are you looking for? Also do you have any account names for facebook, twitter etc. Do any of their family have accounts? Etc.

All requests need to come in on a form 3022B

Hi Guys

DI Schamberger has asked for Social Media to be looked at in regards to Daniel WHITWORTH 22/03/1993 & Gaberil KOVARI 17/01/1992. They are the male found deceased in Barking Abbey.

Thank you

Jackie
