Following the requests for Gabriel KOVARI

- The suitcase to be searched and a statement provided to the Court detailing the contents.
- Clarification as to whether there was any note about his person or amongst the possessions.
- Details of the contents of both wallets and card details.
- Interrogation of the SIM card
- Full details of medications about his person (prescribed and/or illicit)

I have done what the coroner has requested and written a statement for the search of property and items within. Found amongst the correspondence was a letter entitled IN CASE I DO NOT WAKE UP which I have separated and exhibited as TGF20 105/298 66/9326 and attached to the MG11 statement. If there are any problems let me now know and I will correct as soon as possible.

Kind Regards

Death Gabriel KO...

I am beautiful and young. (IN CASE I DO NOT WAKE UP)
Genes. Babe. Baby.

I am tired and whiskey waster.
Yet,

there's never too early
to talk about death.
And yes, the more you think about it
The dearest it ~~comes~~ out, (isn't "e" a ~~beat~~ letter?)
As Emily'd say, it does, yes it does.

And all I want you to know, boo
Is that I did what my genes told me to.
I travelled the world I fucked many men
I'm thankful for your hospitality

And your cock 
And as everything in this (pitiful) universe
I had to be gone
Most likely at all.

And soon the case is yours. (I'm ^{super} ~~sure~~)
I'm not
everything you ever noticed, how
by the living? Anyway...
To ease your pity short life, I'll say,
I have your own mind.

~~Be~~ ~~free~~ Fearless (thanks for the pen.)
Except for YOU there's nothing to lose. Wod.
