hey mate, have managed to find the guy Gab left with, his names Tony Fairy he lives in Kilburn park, I text him and asked what happened to Gab and he said h left with a young guy about his age named Dan and they was heading to a party/orgy in Barking..

he gave them money for a cab, Dan is tall, light brown hair he said, loks similar to Gab just bit taller

very slim

when I told him Gab is dead, he said he don't want anything to do with it, leave him alone

20/09/2014 14:11

Thierry Amodio

i know

same for me

so did that Tony told you what he did with Gabriel and why he left with the other guy ?

20/09/2014 14:17

Jon Luck

he spent one night with him, he didn't say what they did, said he was chatting to another lad called Dan on grindr and that he was going to an orgy in barking and he invited gab to join him, tony said he took all his stuff with him, Dan game to his house first, they all chatted over a drink for about an hour then Tony called them a cab to barking, he said gab wanted to return if he couldn't stay with Dan but he never texted back
