Eugene

Due to it being a busy week last week my team are struggling to complete all the enqs for the two/three unexplained deaths KOVARI / WHITWORTH / AHMED. There is a lot of CCTV to do and other enqs. Is there anyway we can obtain an overtime code in order to complete these enqs on top of their normal workload. Yinka has a lot to do on the GBH at Pondfield Road where we have no leads to suspects at this time.

Thanks

Debbie
