

Coroner for Eastern District of Greater London
Coroner's Officer's Report No. 01973 - 2015

01973-2015

Date Reported: 14 September 2015
Reported by: Cad 3760 Ke
Case Officer: T. Stoddman

Pm 414/15c

Deceased: Jack TAYLOR
DPA Dagenham, Essex

Sex/Age: Male aged 26 Years
Place of Birth (Inq only):
Date of Death: 14/09/2015
Time of Death: 16:00
Place of Death: Abbey Green, Abbey Road, Barking, Essex
Born: 20 June 1990

D 1793

Circumstances: On 14/9/15 this young man was discovered deceased by the groundskeeper. He was positioned sitting up against the outer perimeter wall. His head was slumped forward with mucus coming from the nostrils. About his person was a clean syringe, an empty packet of white powder in his wallet and a small bottle of clear liquid (unlabelled). His hands were by his side. Red marks across his chest laterally? in keeping with the body position being slumped forward. CID attended and deemed non suspicious. Body and scene photographed. White powder and clear liquid secured by police. For HHC authority to proceed to post mortem and decision on whether the liquid and powder should be sent for analysis along with routine tox.

Disposition: Reg. District: Barking & Dagenham
