

JACK TAYLOR (Murder (Ct23); Manslaughter (Ct24); Administering a substance with intent (Ct25))

98. SP and JT met on Grindr and arranged for JT to come to SP's flat for sex.
99. SP went to meet JT at Barking station. At the time they met up, JT was already high or drunk. SP was also quite high as he'd previously had sex with two men who had come to his flat earlier.
100. SP and JT walked to SP's flat. SP (wearing a wig) is seen in the CCTV footage walking with JT. The wig was purchased by SP after SP's release from prison. He wore a wig, as he had done historically, as it made him feel more confident. This was not an attempt at disguise.
101. Once back at SP's flat, SP asked JT if he wished to take some 'Tina' (Crystal Meth). Both SP and JT wanted to take some. This was taken by injection. SP prepared two needles with the Tina. JT took one and injected himself (JT). SP took the other and injected himself (SP). They went to the bedroom and then had sex for some hours. They watched pornography together. JT indicated that he was bisexual and asked SP to find some porn with a drugged woman and SP did.
102. JT wanted to do another 'jab' (injection of Tina). SP hadn't any more and hadn't any money to purchase more. There was a discussion between the two of them as to money, whether to go to a cashpoint, and whether SP's
