

11. PHYSICAL EVIDENCE;

Exhibits have been seized both from the scene and the Post Mortem.

A Forensic Strategy Meeting will be held with the BFM / CSM regarding submission of exhibits for examination. (CSM has provided advice at the PM).

11. INTELLIGENCE;

At this time Intel products have been requested on the following persons;

- i) VIW1 - Mr Anthony Patrick WALGATE
- ii) Mr Stephen PORT. Of note is that there is a previous allegation of crime against Mr PORT - subsequently NFA - that he had un-consensual anal sex with a male after making him take 'poppers'.

Currently awaiting full details.

12. LINES OF ENQUIRY;

- i) Outstanding CCTV from LBB & D.
- ii) Outstanding CIU enquiries.
- iii) Review of Local Directed Enquiries & possible Anniversary Visit.
- iv) Statements from victim and outstanding witnesses(s).
- v) All actions have been raised on CRIS ADR screens.
- vi) WARRANT;

I have requested that L/T & N/D CID conduct enquiries in order to obtain a Section 8, PACE 1984 Warrant to search the following address;

COOK STREET, BARKING, ESSEX, IG11 7AF.

Grounds; as outlined above - Mr PORT has made arrangements to meet the deceased. He has provided a statement to police and gave a false account. There are grounds to believe that the deceased may have been inside the address. The post code given by the client matches that of Mr PORT. The deceased's mobile phone remains outstanding and has not been recovered by police. This phone was in possession of the deceased when he travelled to Barking on 17.06.2014 (evidenced by a friend - VIW5 - Miss Eleanor GREEN). The initial finding at the PM is that the victim had a 'heavy brain' indicating a possible drug overdose. There may be evidence of such substances at the address.

13. MEDIA;

Press lines have been prepared and forwarded to DMC.

14. RISK ASSESSMENT;

At this time the Risk Assessment is Standard.

A/DI Eugene MCCARTHY
