<p><u>KG</u></p>	<p><u>Update from ET unexplained Death.</u></p> <p>DI Andy Dunn from Met Intell contacted me at about 01:15. He has uncovered a potential match for Gabriel Klein, real name Gabriel KOVARI on 14FOU008012. KOVARI set up a face book account in the name KLEIN. KOVARI was found deceased in St Margaret's church yard on 28th August 2014. Incidentally this is the same place where Whitworth was recovered on 20th September. I have spoken to DC Pridige and we are in agreement that this is the male referred to in Whitworth's suicide note. Whitworth's note refers to him giving Klein an extra shot of 'G' whilst having sex at a mates place. Whitworth goes on to say that Klein stopped breathing and he couldn't revive him. It is then strange that Klein's body was found in the church yard. There appear to be three poss scenarios.</p> <ol style="list-style-type: none"> 1. They were having sex in the church yard when he administered the 'G' and KOVARI passed away there and then. 2. KOVARI'S body was moved to the church yard post mortem. 3. KOVARI didn't die from the extra 'G' shot and passed away in the church yard from other causes. <p>The Church yard is open to the elements and it has been some three weeks since KOVARI was found. I therefore see little value in closing it as a scene at this stage.</p> <p>I do not intend to call the HAT team at this stage but it should be a consideration to seek some advice during office hours on 21st. At this stage I believe the incidents are non suspicious but if KOVARI's body is still in the mortuary then we may wish to consider toxicology.</p> <p>I have advised the following</p> <ul style="list-style-type: none"> • Historical call data should be sought for Whitworths mobile phone around the time of KOVARI's death. • Clothing from Kovari and Whitworth to be seized. • Seek advice from SC&O 1 • Conduct enqs to trace the address where Whitworth administered the extra 'G' shot. (Facebook interrogation may assist) <p>Whilst I do not think we are looking for others in relation to this matter we do owe it to KOVARI's family to do our best and establish the facts of his death.</p>
