

something missing

local news on boys
Googled — area there from

* Anthony Walgate — Barnet
19 June 2014

Wait for toxicology — (unexplained)

* Gabriel Kovari — Lewisham
28 August 2014
— unexplained

* Daniel Whitworth — Kent
20 Sept 2014
Had a suicide note

read part of it — its more like a
Confession?

* All had GHB

* Phones?

* around same area found dead

* all look like a set up Drugs etc

* All not from Barking?

* There young 20s

* Coroner similar (waiting toxicology)

* who or why were they ~~with~~ there
or whom with?

* was the suicide letter tested? Seems odd

* All news online updates for each very
similar.

* sitting up same position? or were they

14 September first and only contact from the police.

First time mum + Dad see Jack ~~see~~ was 24th September in chapel.

We had never heard from anyone
mum + Dad asked me being Donna + Sister
Jon to wait until they see their boy
before we contacted the police to chase
→ what was going on (mum + Dad were
adamant in the 10 days of Jack passing
the police had not been in touch cause
they were investigating Jack's death)

NOT TRUE.

- * 24th September approx 2-30 made a call to 101 to be put through to Ben Turner C-I-D
- * to be told no direct line the lady will send an email urgently requesting us to receive a call back once I'd explained the situation with Jack's death and hadn't heard from anybody.
- * 30 mins later no call.
- * called again was told the same an C-I-D half way through.
felt fobbed off an more hurt.
- * called back again explained all of it.
again to be given C-I-D number in Barking
- * called C-I-D number in Barking to be told Ben Turner is not C-I-D.
