24/05/14 1850hrs	<p>Kiera Called me on my mobile. I explained to her that Anthony's mum and dad would like Anthony's friends kept updated. I told her that at present we were treating Anthony's death as unexplained and we were waiting for post-mortem results to try and establish cause of death. She is happy to be main point of contact with friends but is going abroad for 3 weeks on Friday. She states she was good friends with Anthony. She said he was going to meet a guy on the night he went missing. I asked if he would take drugs and she said he bought some Ropax for that particular night and would smoke occasional cannabis. So provided me with her email address: _____ DPA</p> <p>I said I would keep her up to date on any progress.</p> <p>Signature _____</p>
